FINAL IMPLEMENTATION PRINCIPLE

FOOTBALLBANK INTERNATIONAL IS THE SPORTS MANAGEMENT BUSINESS. AYODEJI FATADE IS THE FIFA-LICENSED FOOTBALL AGENT. THE WEBSITE MUST PRESENT FOOTBALLBANK AS A BUSINESS THAT CAN WORK WITH BOTH PLAYERS AND CLUBS, WHILE ATTRIBUTING REGULATED FOOTBALL-AGENT SERVICES TO THE LICENSED INDIVIDUAL.

Crown should eventually serve as evidence of the Clubs & Partners business model, not become the entire identity of FootballBank. The architecture should accommodate future club mandates, academies, and international football organizations without another redesign.
